LETTER

Mail Stop Missing Parts
Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to the Notice of Omitted Items in a NonProvisional Application mailed April 22, 2004 (copy attached), which carried a two-month period for response so that a response will be due on or before June 22, 2004. That Notice indicated that the following item appeared to have been omitted in the application:

Figure(s) 27I described in the specification.

Applicant submits that, in fact, the specification is in error in referring to Figures 27A-27M as there is no Figure 27I in the application.

Accordingly, applicant is submitting an Amendment accompanying this letter which is believed to make the necessary modification to the specification and, at the same time, applicant is proposing to add additional claims to the application.

The Commissioner is hereby authorized to charge any fees listed in 37 CFR 1.16 and 1.17 which may be required by this paper or credit any overpayment to Deposit Account No. 08-1265.

Respectfully submitted,

NIKOLAI & MERSEREAU, P.A.
